and the bestselling
author of
Shakedown makes

Page 41/55

Get Free Canadian Oil

the timely and
provocative case
that when it comes
to oil, ethics matter
just as much as the
economy and the
environment. In
2009, Ezra Levant's
bestselling book
Shakedown
revealed the
corruption of
Canada's human
rights commissions

Get Free Canadian Oil

and was declared the "most important public affairs book of the year." In Ethical Oil, Levant turns his attention to another hot-button topic: the ethical cost of our addiction to oil. While many North Americans may be aware of the

Get Free Canadian Oil

financial and environmental price we pay for a gallon of gas or a barrel of oil, Levant argues that it is time we consider ethical factors as well. With his trademark candor, Levant asks hard-hitting questions: With the oil sands at our disposal, is it
