Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. Effective Police Supervision provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police administration. The Effective Police Supervision Study Guide, which includes quizzes and other study tools, gives students, as well as professionals training for promotional exams, a way to review the material and be fully prepared for examinations and the world of police supervision. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and

Revised, updated, and expanded, this practical hands-on book is packed full of step-by-step guidelines and suggestions for carrying out a multitude of leadership tasks and responsibilities focused on a changing work force that serves an equally changing and complex society. While emphasizing the real value of common sense in good leadership practices, the author furnishes the aspiring novice or veteran police supervisor with specific advice on how to train, counsel, inspect, discipline, and assess the performance of his or her subordinates. He strives to help the supervisor with the vital obligations of being a planner, a problem resolution officer, and effective communicator within as well as outside the law enforcement organization. Major topics include: (1) what supervision means and what you

The criminal justice process is dependent on accurate documentation. Criminal justice professionals can spend 50-75% of their time writing administrative and research reports. Report Writing for Criminal Justice Professionals, Fifth Edition provides practical guidance--with specific writing samples and guidelines--for providing strong reports. Much of the legal process depends on careful documentation and the crucial information that lies within, but most law enforcement, security, corrections, and probation and parole officers have not had adequate training in how to provide well-written,
