End Of Days Max Turner

End of Days by Max Turner was an absolute thrill ride of a book. It is everything a sequel should be - the characters are further developed - but they stay true to form, the pacing and tone are both similar to the first book and the plot continues to develop.

Dark Talents is a 2-in-1 package of Night Runner and End of Days by Max Turner—a fast-paced, exciting addition to the vampire genre Night Runner: For Zack Thomson, the bizarre is commonplace. Living in a mental ward and surrounded by a host of strange characters, including Charlie, his wild and irrepressible best friend, and the beautiful but mysterious nurse Ophelia, Zack struggles to cope with an unusual illness that baffles all the local doctors. Then one night, an eccentric old man crashes a stolen police motorcycle through the front doors of the lobby to rescue Zack from an ancient and wicked evil. Zack soon finds himself thrust into an unfamiliar world of car chases, police hunts, teenage mayhem, girls, and murder. After stumbling from one disaster to another, Zack must confront a killer and come to terms with the truth about himself, his illness, and the likelihood of finding love after death. He could watch as much television as he wanted; his best friend Charlie visited him often enough; and Nurse

Ophelia--the prettiest no-nonsense nurse ever--sometimes took him bowling. Of course, that didn't mean he had it easy. His allergies restricted his diet to strawberry smoothies, and being the only kid at the hospital could get lonely. But it never once crossed Zack's mind to leave...until the night someone crashed through the front doors and told him to run. Now he's on a race for answers--about his past, his parents, and his strange sickness--even as every step takes him closer to the darkest of truths.

Last Days (winner of the British Fantasy Award for Best Horror Novel of the Year) by Adam Nevill is a Blair Witch style novel in which a documentary film-maker undertakes the investigation of a dangerous cult—with creepy consequences. When guerrilla documentary maker, Kyle Freeman, is asked to shoot a film on the notorious cult known as the Temple of the Last Days, it appears his prayers have been answered. The cult became a worldwide phenomenon in 1975 when there was a massacre including the death of its infamous leader, Sister Katherine. Kyle's brief is to explore the paranormal myths surrounding an organization that became a testament to paranoia, murderous rage, and occult rituals. The shoot's locations take him to the cult's first temple in London, an abandoned farm in France, and a derelict copper mine in the Arizonan desert where The Temple of the Last Days met its bloody end. But when he interviews those involved in the case, those who haven't broken silence in decades, a series of uncanny events plague the shoots. Troubling out-of-body experiences, nocturnal visitations, the sudden demise of their interviewees and the discovery of ghastly artifacts in their room make Kyle question what exactly it is the cult managed to awaken – and what is its interest in him?

A lawyer, Katie, and a housewife, Jenni, are thrown together by circumstance and find themselves fleeing for their lives when a horde of zombies takes over the world.
