FLYing Lesson: Building Your Own Control Journal. The Control Journal is your own personal manual for listing and keeping track of your routines. You can use a notebook, a binder, or even a scrapbook, it doesn't matter – it just has to work for you. You may even want to divide it into two or more books: one that you leave at home, the other that you take with you when shopping, etc. FlyLady uses a notebook with plastic sheet protectors so she can use a dry-erase marker to check off the ...
