## Science - GED

As part of the GED Science exam you will be required to complete 2 “short answer” constructed response questions. These are basically just short essay questions that cover scientific topics. In the directions to these questions they suggest that you spend about 10 minutes on each of them, but they are not timed separately.

## Prep Toolkit

There is a lot of confusion about short answers and extended responses on the GED Science Test. When the newest GED test came out in 2012, it included an Extended Response essay in social studies and short answer questions in science. The science test never had a full essay, called an extended response.
