Law for Business and Personal Use 15E maintains a fundamental emphasis on business law, while introducing personal law topics that interest students. Give your students the most comprehensive coverage of contracts, ethics, employment law, credit, banking, partnerships, bankruptcy, and more!

Thestory ofa kind of poverty in America so deep that we, as a country, don't even think exists from a leading national poverty expert who defies convention ("New York Times")

Delve into the core of ethics today in your course with the latest practical, applied coverage found in Ferrell/Fraedrich/Ferrell's BUSINESS ETHICS 2009 UPDATE. Whether you use this book as a supplement or primary text in your undergraduate or graduate course, the accessible, up-to-date approach provides unmatched insights into the complex environment in which contemporary managers make ethical decisions. The book's solid managerial framework and new updates highlight the latest developments in ethics and how they relate to overall ethics concepts, processes, and best practices used throughout successful business ethics programs. Your students see how ethics can play a critical role in key strategic business decisions. Captivating new cases and engaging examples reflect today's most recent business developments and crises. Rather than focusing on intellectual reasoning alone or a philosophical discussion of ideas, the book's proven learning features help students prepare and practice confronting the types of actual ethical dilemmas they will face in today's business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A longtime favorite with millions of readers, LOOKING OUT, LOOKING IN, 15th Edition maintains its market-leading tradition of linking the latest research and theory to learners' everyday lives. Its accessible approach motivates readers to learn and apply communication principles in both personal relationships and on the job. Expanded emphasis on social media includes an all-new chapter devoted to the role of mediated communication in interpersonal relationships as well as integrated coverage throughout the book. In addition, diverse examples, new readings, compelling cartoons, lively photos, and popular culture references bring principles to life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A new approach to learning the principles of management, MGMT 2 is the second Asiaa Pacific edition of a proven, innovative solution to enhance the learning experience. Concise yet complete coverage supported by a suite of online learning aids equips students with the tools required to successfully undertake an introductory management course. Paving a new way to both teach and learn, MGMT 2 is designed to truly connect with today's busy, tech-savvy student. Students have access to online interactive quizzing, videos, podcasts, flashcards, case studies, games and more. An accessible, easy-to-read text along with tear out review cards completes a package which helps students to learn important concepts faster. MGMT 2 delivers a fresh approach to give students what they need and want in a text.

Revised edition of author's Personal financial literacy, copyrighted 2010.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Evolution of Affordable Content Efforts in the Higher Education Environment: Programs, Case Studies, and Examples provides both inspiration and guidance for those beginning work on affordable content and evidence of the growth that has occurred in this arena over the last decade. While some institutions have been providing students affordable content options for over 100 years, many others have found the need to launch new programs in response to the escalating costs of higher education and the impact that has on student learning. This book provides examples from different types and sizes of institutions and includes voices from a wide range of contributors including faculty, instructional designers, academic technologists, librarians, bookstore staff, and more. The Evolution of Affordable Content demonstrates the range of affordable content options that are possible today-from openly licensed content to library licensed materials and all inclusive purchase models to institution-wide student textbook rental models.
