INTEREST CHECKLIST - MOHO Web

The Interest Checklist was administered to 367 subjects classified in three subgroups: students, working adults, and retired elderly persons. An 80-item correlation matrix was formed from the responses to the Interest Checklist for each subgroup and then used in factor analysis model to identify the underlying structure or domains of interest.

The Interest Checklist UK is a tool to elicit information about a person's past and present interests and degree of attraction towards these interests. It is a written inventory, requiring approximately 15-30 minutes to administer, and is appropriate to use with adolescent, adult or elderly populations. The interests are divided into 9 categories, each listing a range of related activities, and with provision for the inclusion of additional activities.
