One Monday morning in April, a middle-aged writer walks into her living room to water the plants and finds a woman standing beside her potted fig tree. Dressed in a navy blue trench coat and white Nikes, the woman introduces herself as "Mary. Mother of God.... You know. Mary." Instead of a golden robe or a crown, she arrives bearing a practical wheeled suitcase. Weary after two thousand years of adoration and petition, Mary is looking for a little R & R. She's asked in for lunch, and decides to stay a week. As the story of their visit unfolds, so does the story of Mary-one of the most complex and powerful female figures of our time-and her changing image in culture, art, history, as well as the thousands of recorded sightings that have placed her everywhere from a privet hedge to the dented bumper of a Camaro. As this Everywoman and Mary become friends, their conversations, both profound and intimate, touch upon Mary's significance and enduring relevance. Told with humor and grace, Our Lady of the Lost and Found is an absorbing tour through Mary's history and a thoughtful meditation on spirituality, our need for faith, and our desire to believe in something larger than ourselves.

Nearly a decade after Spain's conquest of Mexico, the future of Christianity on the American continent was very much in doubt. Confronted with a hostile colonial government and Native Americans wary of conversion, the newly-appointed bishop-elect of Mexico wrote to tell the King of Spain that, unless there was a miracle, the continent would be lost. Between December 9 and December 12, 1531, that miracle happened, and it forever changed the future of the continent. It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City. The image she left imprinted on his cloak or tilma has puzzled scientists for centuries, and yet Our Lady of Guadalupe's place in history is profound. A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexpicably embraced it by the millions. Our Lady of Guadalupe's message of love replaced the institutionalized violence of the Aztec culture, and built a bridge between two worlds -- the old and the new -- that were just ten years earlier engaged in brutal warfare. Today, Our Lady of Guadalupe continues to inspire the devotion of millions. From Canada to Argentina -- and even beyond the Americas -- one finds great devotion to her, and great appreciation for her message of love, unity and hope. Today reproductions of the Virgin's miraculous image can be seen throughout North and South America, in churches and homes, on billboards and even clothing apparel. Her shrine in Mexico City, where the miraculous image is housed to this day, is one of the most visited in the world. In Our Lady of Guadalupe: Mother of the Civilization of Love, Anderson & Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation. Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ's call of conversion and witness, the authors explore the changing face of the Catholic Church in North, Central, and South America, and they show how Our Lady of Guadalupe's message was not only historically significant, but how it speaks to contemporary issues confronting the American continents and people today.

Who would have thought that the Blessed Mother would choose to come to Fatima, that remote farming village on a rocky slope in Portugal? No one was more surprised than Lucia, Jacinta, and Francisco, the little shepherds to whom she appeared in 1917. In this 27th volume of the acclaimed Vision Books series for youth, readers will be enthralled by the story of the village and its people, of the scornful neighbors and the puzzled parents. Above all, it is the warmly human story of the three little ones who insisted that Our Lady had indeed come to Fatima, and from whose faith grew one of the greatest spiritual movements of our time. A sharp and bitingly funny novel about a professor whose calm-ish midwestern life gives way to a vortex of crises--and her attempts to salvage the pieces without going to pieces herself In the space of a few torrid months on the Iowa prairie, Phillipa Maakestad--long-married theater professor and mother of an unstable daughter--grapples with a life turned upside down. After falling headlong into a passionate affair during a semester spent teaching in Ohio, Phillipa returns home to Iowa for her daughter Ginny's wedding. There, Phillipa must endure (among other things) a wedding-day tornado, a menace of a mother-in-law who may or may not have been a Nazi collaborator, and the tragicomic revenge fantasies of her heretofore docile husband. Naturally, she does what any newly liberated woman would do: she takes a match to her life on the prairie and then steps back to survey the wreckage. Set in the seething political climate of a contentious election,Thisbe Nissen's new novel is sexy, smart, and razor-sharp--a freight train barreling through the heart of the land and the land of the heart.

Summon the same powerful presence and aid of Our Lady by following the example of Mother Teresa. "Sitting with Mother Teresa, watching her tend to the sick and the dying, feeling the aura of holiness around her person, seeing her bent in prayer, lost in God -- how often I asked myself if I was not seeing something of Our Lady, experiencing a glimpse of the Virgin of Nazareth." -- Joseph Langford, MC, author and co-founder of the Missionaries of Charity Fathers

The stories in this prize-winning collection evoke a complete world, one so richly imagined and finely realized that the stories themselves are not so much read as experienced. The world of these stories is Portuguese-American, redolent of incense and spices, resonant with ritual and prayer, immersed in the California culture of freeway and commerce. Packed with lyrical prose and vivid detail, acclaimed writer Katherine Vaz conjures a captivating blend of Old World heritage and New World culture to explore the links between families, friends, strangers, and their world. ø From the threat of a serial killer as the background for a young girl?s first brush with death to the fallout of a modern-day visitation from the Virgin Mary; from an AIDS-stricken squatter refusing to vacate an empty Lisbon home to a mother?s yearlong struggle with the death of her synesthetic daughter, these deft stories make their world ours.
