"P á tria" (English: "Fatherland") is the national anthem of East Timor. It was originally adopted when East Timor unilaterally declared its independence from Portugal in 1975. However, this usage would be short-lived, when the country was infamously invaded by Indonesia. It was officially re-adopted when the independence of East Timor was finally restored in 2002 following a United Nations ...

The aim of this paper is to investigate the behaviour of the total energy of a magnetoelastic conductor occupying a semi-infinite prismatic cylinder in dynamical conditions. Precisely, we deduce some estimates for the energy  $W(x, t)$  of the portion of the medium at distance greater than  $x$  from the base in terms of the data. First of all, we prove that the total energy  $W(0, t)$  is finite for all  $t$  ...
