Dr. Vasant Lad, a leading authority in this field, has created an invaluable guide to treating common ailments and chronic problems with strategies tailored to your personal needs based on your dosha. Dr. Lad first explains the principles behind the science of Ayurveda, exploring the physical and psychological characteristics of each of the three doshas, or mind-body types--vata, pitta, and kapha. Once you have determined which type or combination of types you are, Dr. Lad helps you to begin your journey to the ultimate "state of balance" and well-being. Dr. Lad explains why certain imbalances often result in illness and shows you how to restore your body to natural order. You'll learn which traditional Ayurvedic remedies--herbal teas and formulas, essential oils, meditation, yoga--offer relief from a variety of conditions, such as cold and flu symptoms, headaches, toothaches, sore throats, high cholesterol, vision problems, anxiety, and depression. Dr. Lad also shows you how to use diet and specific Ayurvedic techniques to prevent future illness and to promote body consciousness and healthy living. The Complete Book of Ayurvedic Home Remedies enables us all to experience the benefits of Ayurveda's healing properties that have been refined over thousands of years.
