In Todd Whitaker's leadership book Shifting the Monkey: The Art of Protecting Good People from Liars, Criers, and other Slackers, he argues that managers regularly place the burden of responsibilities on the wrong backs because they believe that it's easier to shift monkeys than hold individual employees accountable for their own obligations. Whitaker acknowledges that all institutions have strong and weak employees.

Thoughts on leadership, education & personal growth. I'm In! Email Confirmed!

Poor employees get a disproportionate amount of attention. Why? Because they complain the loudest, create the greatest disruptions, and rely on others to assume the responsibilities that they shirk. Learn how to focus on your good employees first, and help them shift these "monkeys" back to the underperformers. Through a simple but brilliant metaphor, the author helps you reinvigorate your staff and transform your organization.

Explains how to shift an organization's focus from compensating for and working around employees who avoid their responsibilities to cultivating and rewarding the best employees.

"Originally published by Triple Nickel Press, a wholly owned subsidiary of Solution Tree"--Title page verso.

Don't jump from problem to solution without first investigating root causes. This book helps you more accurately focus on school improvement issues, so you can avoid wasting precious time and resources. It is clearly written, contains lots of real examples, and is presented in a style and format designed for the non-expert. It will help you make decisions which will improve learning for all students.

This book was designed to be a helpful guide to a new healthier and happier you. In it you will find different ways to help you get started on a healthy diet. there is helpful information on how you can get started on your diet. Included is samples of recipes, exercising tips, stress reducing steps, and a way to help with your self-esteem. All of what you will be reading is based on my own personal experiences and how I found a way to over come the fears of dieting and be a healthier and happier person. This book is dedicated to all the people who need some help and guidance, to let them know that their not alone in there search for a better way of life.

From the National Book Award-winning author of Just Kids and M Train, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet heeding signs--including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the Year of the Monkey." For Smith--inveterately curious, always exploring, tracking thoughts, writing--the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, Year of the Monkey is a moving and original work, a touchstone for our turbulent times.

Teachers deal with change on a regular basis, but there are some principles at the core of teaching that remain constant and that have the biggest impact on student achievement. In this inspiring book from Danny Steele, creator of the popular Steele Thoughts blog, and Todd Whitaker, bestselling author and speaker, you'll learn how to focus on the most important things in the classroom, not just the "current" things. The authors reveal essential truths that will make you a more effective educator in areas such as student relationships, classroom management, and classroom culture. The strategies are presented in digestible chunks, perfect for book studies, in-service sessions, mentorship meetings, and other learning formats. With the inspiring anecdotes and insights in this book, you'll be reminded of your greater purpose – making a difference in students' lives.

This book helps teachers, principals, superintendents, and all educators develop a repertoire of tools and skills for comfortable and effective interaction with parents. It shows you how to deal with the parent who is bossy, volatile, argumentative, aggressive, or maybe the worst - apathetic. It provides specific phrases to use with parents to help you avoid using "trigger" words which unintentionally make matters worse. It will show you how to deliver bad news to good parents, how to build positive credibility to all types of parents, and how to foster the kind of parent involvement which leads to student success.

San Francisco has a Monkey King - and she's freaking out. Barista, activist, and were-monkey Maya McQueen was well on her way to figuring herself out. Well, part of the way. 25% of the way. If you squint. But now the Bay Area is being shaken up. Occupy Wall Street has come home to roost; and on the supernatural side there's disappearances, shapeshifter murders, and the city's spirit trying to find its guardian. Maya doesn't have a lot of time before chaos turns up at her door, and she needs to solve all of her problems. Well, most of them. The urgent ones, anyhow. But who says the solutions have to be neat? Because Monkey is always out for mischief.

## Where To Download Shifting The Monkey The Art Of Protecting Good People From Liars Criers And Other Slackers A Book On School Leadership And Teacher Performance

This book provides tips and strategies to help school leaders improve, neutralize, or eliminate resistant and negative teachers. Learn how to handle staff members who gossip in the teacher's lounge, consistently say "it won't work" when any new idea is suggested, send an excessive number of student to your office for disciplinary reasons, undermine your efforts toward school improvement, or negatively influence other staff members. Don't miss the revised and expanded third edition of this best-seller!
