~~(PDF) Social Work Theories - ResearchGate~~

In short, social work is about empowering people. A complex endeavor, inciting this shift of others' perspectives can benefit from the framework of the various theories used in social work practice. A theory is a logical system of concepts that helps to explain why something happens in a particular way and to predict outcomes. By grounding their practice in theory, social workers can better understand his or her own task, orient goal setting, and anticipate outcomes.
