“More fun to read than the movie was to watch... a scene-stealing book.” — The Washington Post An Entertainment Weekly "Must List" selection Caddyshack is one of the most beloved comedies of all time, a classic snobs vs. slobs story of working class kids and the white collar buffoons that make them haul their golf bags in the hot summer sun. It has sex, drugs and one very memorable candy bar, but the movie we all know and love didn't start out that way, and everyone who made it certainly didn't have the word “classic” in mind as the cameras were rolling. In Caddyshack: The Making of a Hollywood Cinderella Story film critic for Entertainment Weekly Chris Nashawaty goes behind the scenes of the iconic film, chronicling the rise of comedy's greatest deranged minds as they form The National Lampoon, turn the entertainment industry on its head, and ultimately blow up both a golf course and popular culture as we know it. Caddyshack is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic film productions there's ever been, and a rich portrait of the biggest,

and most revolutionary names in Hollywood. So, it's got that going for it...which is nice.

One year after his big golf tournament win, Travis McKinley struggles to find a place in the world of professional sports in this inspiring novel. A year ago, unknown golfing amateur Travis McKinley shocked the world by winning the PGA Senior Open at Pebble Beach. Now he's famous, he makes his living playing the game he loves, and everything should be perfect. Still, Travis can't shake the feeling that he's a fraud, an imposter who doesn't deserve his success-and after a series of disappointments and personal screw-ups, he might just prove himself right. A shot at redemption arrives in an unexpected form: a teenage outcast with troubles of his own . . . and a natural golf swing. As this unlikely duo sets out to achieve the impossible on the world's most revered golf course, Travis is about to learn that sometimes the greatest miracles of all take place when no one is watching.

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with

Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." *Commander in Cheat* "paints a side-splitting portrait of a congenital cheater" (*Esquire*), revealing all kinds of unsightly truths Trump has been hiding.

Travis McKinley's life has drifted sideways. His job, his marriage, even his children all feel disconnected and distant. Has he really accomplished nothing of consequence in his life? One Christmas Day, Travis plays a round of golf and finds himself for the first time in the zone--playing like a pro. In astonishingly short order, Travis is catapulted into the PGA Senior Open at Pebble Beach, where he advances to the final round. And while his wife, his children, and a live television audience watch, a miracle takes place that changes Travis, and his family, forever.

Remarkable Golf Courses encompasses the extremes of the sport – from the highest golf course in La Paz, Bolivia, to the lowest, in Death Valley, USA; from the most northerly in the Arctic Circle to the

most southerly in Tierra del Fuego. The many quirks of the golfing world are covered, such as the 18th green the other side of the River Lea which is serviced by an electric ferry, or the LA golf course that has its own funicular railway, or the floating golf hole in Idaho, where it's not just the pin position that's changed every day, it's the distance from the shore! Golf courses that feature neolithic standing stones (Scotland), Roman roads (England), and ruined medieval castles (Wales) take their place alongside the old temples of Delhi or a UNESCO World Heritage bridge that is used to link the 9th and 10th at Angkor Wat. There are the beloved classic courses of St. Andrews, Carnoustie, Royal St. George and Westward Ho!. There are spectacular golf courses hewn out of the Nevada and Arizona desert, green oases in a cactus-strewn, rocky landscape, along with Hawaiian courses fringed by barren black lava flows. But nothing can beat the thrill in Guatemala of lining up your drive on an active volcano at the Fuego Maya course. In comparison there are the traditional wind-blown Scottish links, such as the Machrie Hotel on the island of Islay which has the most blind greens on any course, or the remote Isle of Barra where greens are only accessible via a kissing gate. Fancy swapping countries mid-round? You can at the Llanmymynech club in Wales. At the fourth hole golfers tee off in Wales and putt out on the green in England. Remarkable Golf Courses brings together some astonishing stories with some extraordinary photography.

In the tradition of Friday Night Lights and Outcasts United, ONE GOAL tells the inspiring story of the soccer team in a town bristling with racial tension that united Somali refugees and multi-generation Mainers in their quest for state--and ultimately national--glory. When thousands of Somali refugees resettled in Lewiston, Maine, a struggling, overwhelmingly white town, longtime residents grew uneasy. Then the mayor wrote a letter asking Somalis to stop coming, which became a national story. While

scandal threatened to subsume the town, its high school's soccer coach integrated Somali kids onto his team, and their passion began to heal old wounds. Taking readers behind the tumult of this controversial team--and onto the pitch where the teammates vied to become state champions and achieved a vital sense of understanding--ONE GOAL is a timely story about overcoming the prejudices that divide us.

Recreation and Sport are an integral part of Canadian culture. This is nowhere more evident than in the Muskoka District of Ontario. Beginning in the 1860s, people from more populated areas of Southern Ontario and the North Eastern United States flocked to Muskoka to enjoy nature's bounty. They came to fish, hunt, canoe, sail, swim, hike and explore. Many vacationed at one of the ever expanding selection of Muskoka resorts. Others built their own recreational retreats or cottages. Also beginning in the 1860s, Free Land Grant recipients ventured to the area to take land and attempt to farm it. They became the permanent population base and set about developing their own recreations and sporting organizations. This book surveys the attempts of all of Muskoka's residents and visitors to enjoy the recreational opportunities the region provided. The main focus of this local history is on how people in the past used recreation and sport to enhance their lives. In other words, what they did for exercise and fun.

Most golfers have been set up to fail. Trying to follow protocols that statistically stack the odds against them has led to an enormous amount of frustration and angst for most of the recreational golfers out there. Poor scores and extremely slow play have caused many golfers to lose much of their passion for golf. GITCA golf has streamlined the parameters for recreational play to allow for better scoring opportunities and much more expedient play. By adapting our guidelines and maintaining an eternally grateful mindset, everyone who tees it up will be inspired to play golf much more often with those closest to them.
