(and then others). Champion your own cause (as well as others). Be connected to and supportive of yourself (and others). Listen to your heart, your head, and your gut (your three brains). Create a life that feeds your soul (and nurtures others).

Self-Betrayal: What it is and How to Overcome it - Salina ...

It is so easy to live in self-betrayal to who you can truly be. A large number of the population are doing that, unaware that they have taken on someone else's life, daily habits, mindset, dress code, values, mission, goals, vision, outlook and entire life. It is a shame that people just resign themselves to the life that they have stumbled into. And they find it a great challenge to break out of that life, as it is easier to work on someone else's dream than it is to pursue your own.
