The Hyperion Cantos is a series of science fiction novels by Dan Simmons. The title was originally used for the collection of the first pair of books in the series, Hyperion and The Fall of Hyperion, and later came to refer to the overall storyline, including Endymion, The Rise of Endymion, and a number of short stories. More narrowly, inside the fictional storyline, after the first volume, the Hyperion Cantos is an epic poem written by the character Martin Silenus covering in verse form the eve

Hyperion and Fall of Hyperion definitely fall into that category. The text of both books is peppered with literary references and lots of Christian symbolism, as well as thought provoking philosophical ideas. There's also a pro-environment message, as well as warnings of becoming too dependent on technology.
