A raucous and revealing oral history of the birth of the adult film industry, The Other Hollywood peels back the candy coating to let the true story be told -- by the stars, movie makers, and other industry players who lived it. And what a story it is: Through hundreds of original interviews, contemporary newspaper accounts, police reports, court testimony, and more, Legs McNeil and coauthors Jennifer Osborne and Peter Pavia trace today's billion-dollar industry from its makeshift, mob-connected origins to the Internet age. Along the way we encounter porn stars such as Linda Lovelace, John Holmes, Traci Lords, and Savannah -- along with countless mainstream stars, politicians, FBI agents, and more. Epic, hilarious, and moving, The Other Hollywood contributes to the porn industry the one thing missing in all previous accounts: a vivid, tragicomic, irresistible humanity.

As seen in Vanity Fair: A rollicking, funny, raunchy, and moving oral history of the adult film industry – from Deep Throat through today. As a recent New York Times Magazine cover story pointed out to average Americans, the adult film industry is a \$10 billion – per – year business. It has infiltrated the American mainstream, with its stars showing up as mainstream TV hosts, making guest appearances in Hollywood feature films, and gracing the CD covers – and arms – of rock stars and Hollywood actors alike. But what most people don't know is how the porn industry got started – with a \$22,000 Mafia investment in a film called Deep Throat – or how it mushroomed over the next quarter – century despite efforts by politicians, the FBI, and others to bring it down. The Other Hollywood tells that story, through hundreds of interviews by the people who lived through it. In the riveting oral – history format that made his first book, Please Kill Me, one of the most memorable accounts of 1970s underground culture, Legs McNeil now pulls back the grimy satin sheets on one of the most astounding success stories in the history of American business. Careening back and forth between two groups – the actresses, directors, and others who made the films and the shady underworld figures who financed them – The Other Hollywood offers scores of never – before – told stories, all in the voices of those who lived them. Witty, always compelling, and ultimately moving, The Other Hollywood is a Hollywood Babylon for today.

" Ranks up there with the great rock & roll books of all time. " —Time Out New York " Lurid, insolent, disorderly, funny, sometimes gross, sometimes mean and occasionally touching . . . Resounds with authenticity. " —The New York Times " No volume serves juicier dish on punk 's New York birth . . . Tales of sex, drugs and music that will make you wish you 'd been there. " —Rolling Stone A contemporary classic, Please Kill Me is the definitive oral history of the most nihilistic of all pop movements. Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era. This 20th anniversary edition features new photos and an afterword by the authors. " Utterly and shamelessly sensational. " —Newsday

She 's been called vulgar, crass, sophomoric, offensive and dirty...and that was just in one article. But there 's so much more to talk show host, internet entrepreneur, and original YouTube sensation, Carrie Keagan. You may know her as host, writer, and producer of VH1 's hit morning show Big Morning Buzz Live with Carrie Keagan, but before Judd Apatow made being dirty mainstream, she was pioneering the R-rated, A-List celebrity digital video to an audience of tens of millions on one of the first and most successful YouTube networks ever, No Good TV. She 's turned swearing into an art-form and invited all of Hollywood to join in. Some women f'ck their way to the top but she " f'cked " her way to the top. Her naughty interviews with Hollywood 's elite are the stuff of legend, earning her the nickname " Barbara Walters on Acid. " She 's gone toe-toe with virtually every celebrity in the world, and she 's been taking notes. Get ready for all the juicy, behind-the-scenes stories from the biggest stars as she shares her journey from being a bullied kid from Buffalo to Hollywood 's most fearless host. After 8,000 interviews, 2 billion views online, her own TV show, and countless appearances including her upcoming season on Celebrity Apprentice, she 's got crazy stories to tell. Everybody Curses, I Swear! is the quintessential book on the wonderful world of potty-mouthed depravity inside Hollywood!

Murders, suicides, unexplained deaths, scandalous romances, illegitimate children, cover-ups, and more, from the 1920s to Hollywood's Golden Age in the 1960s and right up to the present day. From the Stooges and MC to the White Stripes, Eminem, and Kid Rock, this account of rock in Detroit, which has always produced more subversive rock music than any city in the world, presents stories from the participants themselves.

The first publication of Raw Talent created an extraordinary flurry of publicity. Jerry Butler appeared on dozens of talk shows, capturing audiences with his intensity and charm. Reviews of the book lauded Butler's honesty and remarked on the double standard that permits explicit violence on film - but not explicit sex. The book sold out four printings; nonetheless, reactions within the adult film industry included heated debate and an unofficial blacklisting of Butler. The former star of X-rated films and winner of many awards, Jerry Butler wrote the book that many warned would finish him in the business that had rewarded him with money and fame. But it is characteristic of Butler that these warnings didn't prevent him from producing this devastatingly honest appraisal of the adult film trade - and of himself. For while Butler is frankly critical of an industry that treats actors and actresses like throw-away props, and allows unprotected sex in the age of AIDS, he reserves his most candid commentary for himself. Raw Talent tells the story of Butler's erotic voyage from average child to sex star. The epilogue added to this new edition answers the question: Where will Jerry go from here' . . . an unvarnished first-hand view of the adult film industry. . . Back StageEven though people might feel that Raw Talent shatters their fantasies, it illustrates the fakeness of porn and the carelessness of its makers. Bay NewsLove him or hate him, he's given us one controversial book. Adult Video NewsHe totally lets his hair down about the business, the people in it. Anyone fascinated by sex should really get into this book. Big fun. Midwest Record RecapA first-rate page turner. The New EditionA devastatingly accurate portrait of the male American libido.
