How will government and politics be transformed by technology? Israel and The Virtue of Nationalism | Yoram Hazony | POLITICS | Rubin Report The Politics Of Virtue Future

Perhaps what is most shocking and most thrilling about this book is that the authors fully expect their proposals to be taken seriously! The Politics of Virtue is a masterpiece which, with a single stroke, both rebukes the cowardice and effete impracticality of so many armchair political theologians, and shows up the resigned nihilism of those political theorists who believe that liberalism is the only game in town.

The Politics of Virtue: Post-Liberalism and the Human ...

The Politics of Virtue is going to be a vital contribution to that issue [what kind of thing humanity might and should be], as well as a crucial intervention in current political debate. It will infuriate as many as it will delight; but it is a monumental and un-ignorable diagnosis of a critical moment in our culture.--Rowan Williams, New Statesman

John Milbank and Adrian Pabst : The Politics of Virtue ...

Two expert authors combine a compelling critique of contemporary liberalism with post-liberal alternatives in politics, the economy, culture and international affairs, to provide an account of the post-liberal alternative in Western politics

The politics of virtue : post-liberalism and the human ...

Our book The Politics of Virtue: Post-liberalism and the Human Future provides the first comprehensive account of a post-liberal vision that spans politics, the economy, democracy and constitutionalism, culture and education, as well as international relations. We combine a more searching critique of liberalism and its founding premises of ontological individualism and negative freedom with a series of post-liberal alternatives that blend principles of reciprocity and mutuality with novel ...

Amazon.co.uk:Customer reviews: The Politics of Virtue ...

Contemporary politics is dominated by a liberal creed that champions 'negative liberty' and individual happiness. This creed undergirds positions on both the right and the left - free-market capitalism, state bureaucracy and individualism in social life. The triumph of liberalism has had the effect of subordinating human association and the common good to narrow self-interest and short-term ...
