## The Qualifying System

For 2002 the International Automobile Federation, the sport's rules-making body, made qualifying system a two two-hour single-lap shootout, where each driver ran a single timed lap alone. That was eventually reduced to one hour but still failed to excite, except when the strongest drivers made a mistake and caused a mixed up grid.

## The Qualifying System

Our current system doesn't let us do that and if you were to input the handicaps of our scratch golfers into the old USGA system, they would probably be +2 or +3 handicappers because of the way the system works. This will level the playing field and make it fair, not just for the elite player but for everybody who wants to play golf abroad ...
