Temples were not places you visited once a week; they were centers of community, divine work, healing, and wisdom, places where Heaven and Earth meet. This union of Heaven and Earth--the sacred temple--is also a union of Thoth and Isis: the Egyptian god of wisdom and the creative cosmic force and the Egyptian goddess of civilizing knowledge. Their relationship established the celestial teachings on Earth, for Thoth taught Isis all the mysteries and magic she knows and Isis acted as Thoth's instrument to deliver the teachings in a form humanity could use. In this initiatic guide to temple building on the spiritual and physical planes, Normandi Ellis and Nicki Scully explain how to create a communal spiritual structure for connecting with the ancient Egyptian pantheon as well as how to consecrate yourself and become a vessel suitable for divine wisdom and a home for your personal gods. The authors detail the construction, shamanic visioning, and ritual consecration of a Moon Temple dedicated to Thoth. They explore teachings that help you develop relationships with the Egyptian neteru and realize your place within the family of the Egyptian pantheon. They guide you as you create your inner heart temple, the adytum, a safe place in which to receive guidance and access your higher spiritual bodies and oracular gifts. They provide shamanic journeys and initiations on ascension, shamanic death and renewal, soul retrieval and healing, multidimensional realities, and more. By creating a sacred temple within and without, we each can take part in the union of Isis and Thoth and restore the magic of the Egyptian mysteries to our time.

Drawing on her travels in modern-day Egypt and her lifelong study of Egyptian mythology and art, Normandi Ellis takes us on a moving autobiographical journey through the sacred sites and rituals of Egypt's past, revealing their restorative and transformative power for contemporary women like herself. Ellis's spell-binding prose weaves a tapestry of the personal past and the spiritual eternal in this exploration of the secret wisdom of ancient Egypt.

- Details the nine stages of the ancient Egyptian initiatory path, describing each stage's powers as well as the culminating ceremony called "The Crown of Isis"
- Provides profound guided meditations for each of the nine stages and illustrates the manifestation of this path's principles through stories of awakening
- Shares the author's personal journey as a Garment of Isis and her own powerful interactions with Isis, which culminated in her serving as Oracle of Isis at the Parliament of World Religions in Chicago in 1993

The Sacred Science of ancient Egypt was an initiatory spiritual system, a technology of consciousness designed to birth a mystical communion with the divinities, an embodied union of being between the eternal and the mortal. After initiation was completed, the re-identified being, now divinely possessed, was known as a "Garment of Isis," signifying that the goddess Isis dwelt within them. As Naomi Ozaniec reveals, it is still possible to enter into these ancient Mysteries, to encounter the living mysticism of Khemetic Sacred Science and become a vessel for the divine. Offering a practical guide to the key principles within the Egyptian temple tradition, she explores the process of creating and developing a personal relationship with the *neteru*, the divinities and living forces of creation of ancient Egypt. She details the nine stages of this initiatory path, which are divided into three phases--Heartmind, Spiritmind, and Soulmind. This step-by-step, interactive process culminates in a ceremony called "The Crown of Isis." For each of the nine stages, the author provides profound guided meditations and illustrates the manifestation of the initiate's powers through stories of awakening brought on by this spiritual path. She also shares her personal journey as a Garment of Isis and her own powerful interactions with Isis, which culminated in the author holding the office of Oracle of Isis at the Parliament of World Religions in Chicago in 1993. Offering an accessible yet substantive guide to initiation into the Egyptian mysteries, this book details how to gradually awaken and attune your mind to the symbolic, open access to higher realms of consciousness, and enter into a mystical marriage between personal and divine consciousness.

Reconciles internal conflict through a sacred marriage of heart and mind In *Shamanic Mysteries of Egypt*, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the *neteru*. Voices from these divine ancestors remind us of the healing power of the heart, and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.

Tools to powerfully write about and manifest your life using the power found in the sacred sites of ancient Egypt • Reveals how to create meaning from one's life experiences and manifest new destinies through spiritual writing • Contains meditations and creative writing exercises exploring sacred themes in the Egyptian Book of the Dead and other hieroglyphic texts of ancient Egypt • Shares transformative and inspiring pieces written by those who've attended the authors' Egyptian sacred tours Within each of us is a story, a sacred story that needs to be told, of our heroic efforts and of our losses. The scribes of ancient Egypt devoted their lives to the writing of sacred stories. These technicians of the sacred were masters of hieroglyphic thinking, or *heka*--the proper words, in the proper sequence, with the proper intonation and the proper intent. Learning *heka* provided scribes with the power to invoke and create worlds through their words and thoughts. To the writer, *heka* is a magical way to create meaning from experience. Through *heka* we manifest new visions and new relationships to ourselves and to others. We can make new art filled with beauty and light. Revealing the spiritually transformative power of writing, the authors take us on a journey of self-discovery through the sacred sites of Egypt, from the Temple of Isis to the Great Pyramid of Giza. Through meditations and creative writing exercises exploring the powerful themes found in the hieroglyphic texts of ancient Egypt and the Egyptian Book of the Dead, they show how, through writing, we can live beyond the ordinary, give our dreams form, and discover who we really are and what our lives really mean. Sharing transformative and inspiring pieces written by those who've attended their Egyptian sacred tours, the authors reveal how writing your spiritual biography allows you to reconnect to the creativity and divine within, face your fears, offer gratitude for what you have, manifest new destinies, and recognize your life as part of the sacred story of Earth.

The Egyptian Book of the Dead is one of the oldest and greatest classics of Western spirituality. Until now, the available translations have treated these writings as historical curiosities with little relevance to our contemporary situation. This new version, made from the hieroglyphs, approaches the Book of the Dead as a profound spiritual text capable of speaking to us today. These writings suggest that the divine realm and the human realm are not altogether separate--they remind us that the natural world, and the substance of our lives, is fashioned from the stuff of the gods. Devoted like an Egyptian scribe to the principle of "effective utterance", Normandi Ellis has produced a prose translation that reads like pure, diaphanous verse.

Included in Time's 100 Must Read Books of 2021 list * A New York Times Best Seller * One of Audible's Best of The Year * AV Club's Best Books to Buy "Funny, tender, and so good." — Mindy Kaling, #1 New York Times bestselling author of Why Not Me? Remember when we hit it off so well that we decided We're Going to Need More Wine? Well, this time you and I are going to turn to our friend the bartender and ask, You Got Anything Stronger? I promise to continue to make you laugh, but with this round, the stakes get higher as the conversation goes deeper. So. Where were we? Right, you and I left off in October 2017, when my first book came out. The weeks before were filled with dreams of loss. Pets dying. My husband leaving me. Babies not being born. My therapist told me it was my soul preparing for my true self to emerge after letting go of my grief. I had finally spoken openly about my fertility journey. I was having second thoughts—in fact, so many thoughts they were organizing to go on strike. But I knew I had to be honest because I didn't want other women going through IVF to feel as alone as I did. I had suffered in isolation, having so many miscarriages that I could not give an exact number. Strangers shared their own journeys and heartbreak with me. I had led with the truth, and it opened the door to compassion. When I released We're Going to Need More Wine, the response was so great people asked when I would do a sequel. The New York Times even ran a headline reading "We're Going to Need More Gabrielle Union." Frankly, after being so open and honest in my writing, I wasn't sure there was more of me I was ready to share. But life happens with all its plot twists. And new stories demand to be told. This time, I need to be more vulnerable—not so much for me, but anyone who feels alone in what they're going through. A lot has changed in four years—I became a mom and I'm raising two amazing girls. My husband retired. My career has expanded so that I have the opportunity to lift up other voices that need to be heard. But the world has also shown us that we have a lot we still have to fight for—as women, as black women, as mothers, as aging women, as human beings, as friends. In You Got Anything Stronger?, I show you how this ever-changing life presents challenges, even as it gives me moments of pure joy. I take you on a girl's night at Chateau Marmont, and I also talk to Isis, my character from Bring It On. For the first time, I truly open up about my surrogacy journey and the birth of Kaavia James Union Wade. And I take on racist institutions and practices in the entertainment industry, asking for equality and real accountability. You Got Anything Stronger? is me at my most vulnerable. I have recently found true strength in that vulnerability, and I want to share that power with you here, through this book.

Isis Magic: Cultivating a Relationship with the Goddess of 10,000 Names enables the many women and men who are today exploring Goddess spirituality to build a relationship with the Divine Feminine by focusing their exploration through the worship of one of the most well-known and well-loved Goddesses of all time: the Egyptian Isis. Today, as in ancient times, Isis, known as the Goddess of Ten Thousand Names, can become for Her devotees the One Goddess Who is All Goddesses. Isis Magic begins with a well-researched and in-depth history of the nature and worship of Isis from Her ancient Egyptian origins to the modern day. In the first part of the book, readers discover the many faces of Isis, from Ancient Bird of Prey Goddess and Lady of Magic to Queen of the Mysteries and Savior. Readers will learn how Isis later became disguised as a Black Madonna, a historical Queen of Egypt, and even as an Alchemical Principle--as well as how Her true identity as a Goddess was retained in the inner teachings of secret societies. Finally, readers follow Isis into the 20th and 21st centuries as Her undisguised worship is revived, first by colorful personalities like Dion Fortune and influential groups such as the Hermetic Order of the Golden Dawn, and today by worldwide associations like the Fellowship of Isis. The book's second part applies this knowledge to a four-part spiritual journey to the heart of the Goddess. With each step, the reader enters a successively deeper stage of relationship with Isis. participating in exercises, meditations, and powerful, beautifully written rituals, readers can initiate themselves into the magical religion of Isis and become, if they so desire, a dedicated priestess or priest. Written by M. Isidora Forrest, an ordained Priestess of Isis and Hermetic Adept, Isis Magic brings the worship of Isis to life. It is the perfect resource to aid the individual seeker, to inspire a circle, coven, or Iseum, or to serve as a program of spiritual growth and personal development for those called by Isis to be Her priestesses and priests.
