Explore the changing nature of the West Rather than looking at Western civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the changing nature of the West—how the definition of the West has evolved and has been transformed throughout history. It explores the ways Western civilization has changed as a result of cultural encounters with different beliefs, ideas, technologies, and peoples, both outside the West and within it. Presenting a balanced treatment of political, social, religious, and cultural history, this text emphasizes the ever-shifting boundaries of the geographic and cultural realm of the West. MyHistoryLab is an integral part of the Levack program. Key learning applications include Closer Looks, MyHistoryLibrary, and writing assessment. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning- MyHistoryLab is online learning. MyHistoryLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking-Critical thinking questions throughout the text help students focus on what they need to learn. Engage Students-Fine art and photos engage students in the material. Support Instructors- A full set of supplements, including MyHistoryLab, provides instructors with all the resources and support they need. Note: MyHistoryLab does not come automatically packaged with this text.

An authoritative account of Western civilizations. The Western Heritage provides the broadest possible introduction to Western civilization in a strong, clear narrative. It fosters lively debate about the West, defines how the West has interacted with other cultures, and shows how Western civilization can be used to understand global challenges today. The text integrates social, cultural, and political history, and it provides a flexible presentation to accommodate different teaching and learning approaches. The 11th edition is tied closely to MyHistoryLab, with icons connecting the main narrative to an array of MyHistoryLab resources, including documents, video segments, and interactive maps. The authors welcome Alison Frank, professor of history at Harvard University, to their team for this edition. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning - The new MyHistoryLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Chapter opening and end-of-chapter study resources help students understand the themes and spark class discussion. Engage Students - Box features included throughout the text encourage the use of visual and textual sources while promoting debate about the West. Support Instructors - Instructor's eText, MyHistoryLab, Instructor's Resource Manual, Test Item File, MyTest, PowerPoint presentations, and Class Preparation are available. A tidal wave of panic surrounded homosexuality and AIDS in the 1980s and early 1990s, the period commonly called 'The AIDS Crisis'. With the advent of antiretroviral drugs in the mid '90s, however, the meaning of an HIV diagnosis radically changed. These game-changing drugs now enable many people living with HIV to lead a healthy, regular life, but how has this dramatic shift impacted the representation of gay men and HIV in popular culture? Positive Images is the first detailed examination of how the relationship between gay men and HIV has transformed in the past two decades. From Queer as Folk to Chemsex, The Line of Beauty to The Normal Heart, Dion Kagan examines literature, film, TV, documentaries and news coverage from across the English-speaking world to unearth the socio-cultural foundations underpinning this 'post-crisis' period. His analyses provide acute insights into the fraught legacies of the AIDS Crisis and its continued presence in the modern queer consciousness.

In the fourth and final volume of his magisterial history of the Peloponnesian War, Donald Kagan examines the period from the destruction of Athens' Sicilian expedition in September of 413 B.C. to the Athenian surrender to Sparta in the spring of 404 B.C. Through his study of this last decade of the war, Kagan evaluates the performance of the Athenian democracy as it faced its most serious challenge. At the same time, Kagan assesses Thucydides' interpretation of the reasons for Athens' defeat and the destruction of the Athenian Empire.

Ever since its first publication in 1992, The End of History and the Last Man has provoked controversy and debate. Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, The End of History and the Last Man is a modern classic.
